### Associational Mission Strategist Search Team Update

The AMS Search Team is in the interview process of the search. We have experienced some very good interviews for which we are most grateful! We are grateful for the guidance and direction of the Holy Spirit in the entire process, but especially in the current phase. Before we meet with a potential candidate, we begin with prayer that the Lord will direct us as well as the person with whom we are meeting.

To this point our meetings have been through Zoom or Face Time, however, before we present a potential candidate, we will meet with him and his family in person. Your assistance through the surveys we did are of great help as we seek a man who meets the survey summary as nearly as possible.

Thank you for your prayer support as well as words of encouragement. We request your continued prayers as we move forward. Our desire is to present a proposed candidate to you for your approval, but our desire is to be confident of Divine guidance first.

We will continue to keep you updated regarding the progress of The AMS Search Team and we are looking forward to the time when we can announce to you that we have a person to present to you.

AMS Search Team  
Stuart White
